

20th Congress of the European Association of Tissue Banks | 12º Congreso de la Asociación Española de Bancos de Tejidos

BARCELONA  
2011 November, 9-10-11

*Barcelona, Mayo de 2011*

*Queridos compañeros,*

*Nos estamos aproximando al 12º Congreso de la Asociación Española de Bancos de Tejidos (AEBT) que compartiremos con el 20º de la European Association of Tissue Banks (EATB) y 6th World Congress on Tissue Banking que tendrá lugar los días 9 al 11 de noviembre en Barcelona; a este evento se unirá la 1ª Jornada Iberoamericana de Bancos de Tejidos y Células que organiza la AEBT conjuntamente con la Asociación Latinoamericana de Bancos de Tejidos (ALABAT), con la colaboración de la Organización Nacional de Trasplantes (ONT) y la Autoridade para os Serviços de Sangue e da Transplantação (ASST) que celebraremos el día 8 de noviembre en Sant Boi de Llobregat (a pocos minutos de Barcelona) y cuyo idioma será el español y el portugués. Podréis encontrar toda la información de ambas reuniones (inscripción, sede, programas, envío resúmenes para el congreso, horarios...) en la web <http://www.eatb2011.com>*

*Solo adelantaros que la asamblea anual de la AEBT se celebrará en el seno de la 1ª Jornada Iberoamericana del día 8 de noviembre en Sant Boi (instalaciones de la Transplant Services Foundation) y que facilitaremos el traslado a la sede desde el Auditorio AXA de Barcelona (sede del congreso) por la mañana al inicio de las sesiones y el regreso al final de la asamblea.*

*Los temas principales de la 1ª Jornada Iberoamericana de Bancos de Tejidos y células del día 8 de noviembre serán: Situación actual de los Bancos en Latinoamérica, Portugal y España, enfermedades emergentes, bancos monotejidos / bancos multitejidos, bancos públicos / bancos privados, sistemas informáticos y seguridad en el procesamiento. El congreso mundial de los días 9 al 11 de noviembre, que será en inglés, se centrará en: aspectos éticos, biobancos, banco pediátrico, donación, seguridad durante el procesamiento, tejidos específicos (cardiovascular, músculo-esquelético, ocular, piel, tejido reproductivo, sangre de cordón), biovigilancia, ingeniería tisular, terapia celular, y colaboración entre asociaciones.*

*El límite para el envío de comunicaciones libres al congreso está previsto para el día 1 de julio. Esperamos vuestra participación y colaboración en ambas reuniones. Para manteneros periódicamente informados os remitimos a la dirección web anteriormente indicada o a través de la web de la AEBT.*

*Muy cordialmente,*

## ABSTRACTS SUBMISSION GUIDELINES

### Aim of the electronics abstract submission system

The electronic abstract submission system serves EATB (European Association of Tissue Banks) to simplify the abstract submission and reviewing process. Only electronic submissions are accepted

### Important dates:

Abstract submission deadline: **July 1st**

### 1. Submitting, editing, deleting and cross-submitting abstracts

- Authors may submit electronically more than one abstract; however, each abstract must be submitted separately.
- On July 1st 2011 (11.59pm local time) the submission system will be closed. At this date, all sent abstracts will be regarded as submitted to EATB and passed to the reviewers. Deleting or editing of abstracts after this deadline is not possible.
- There will be no correspondence about uncompleted or wrongly formatted abstracts. Without further notice, those abstracts won't be reviewed.
- Without further notice, abstracts recognized as cross-submission will not be reviewed

### 2. Length and format of the abstracts

- Abstracts will not be accepted unless formatted according to following instructions.
- The total of all characters, including spaces (blanks) and including the title must not exceed 3000 characters.

- This system was designed to allow text and symbols from all of the writing systems of the world to be consistently represented and manipulated. In any case if you are cutting and pasting your text from another application (i.e. Word), please be sure to check all special characters.
- The electronic submission forms are not supporting tables, images or charts.

### **3. Your personal data (institution designation and e-mail)**

Please verify that your personal address is correct as it will be used for contacting you after the review process.

### **4. Privacy**

We will use the e-mail address you provided for sending your password. You will need it in order to access already submitted abstracts. If you share your e-mail address, please be aware that others might see your username and password and could access your submissions.

**Therefore, we strongly recommend providing us a privately used e-mail address.**

Please note that no data is shared to a third party.

### **5. Publishing abstracts**

By your submission, you grant EATB the right to use your abstracts on EATB's websites, printed materials and newsletters without further notice.

### **6. Registration**

Only papers that have been accepted by EATB Scientific Committee by 31st July 2011 and authors / co-authors of same paper are registered by 1 September 2011 at the latest are considered as valid papers and will represent a part of the Scientific Programme of the congress.

## **PRESENTATION GUIDELINES**

### **PowerPoint presentation tips:**

- Speakers must adhere strictly to the scheduled times according the programme.

- Only computer projection will be available. No overhead or slide projectors will be available in meeting rooms, and it will not be possible to use personal laptops.
- Speakers are kindly requested to use PowerPoint (Office 03/07, Windows or Mac). The uploading of DVD movies is NOT supported.
- We recommend using “.gif” and “.jpg” formats for images. Other types of extension will be accepted, provided that they are recognised by PowerPoint.  
MPEG2 is the preferred format for embedded movies, but \*.avi, \*.wmv are also accepted. If codecs are used, the code package DIVx in the current version should be chosen. This can be found at [www.divx.com](http://www.divx.com). Confirm that all needed files are in the SAME FOLDER as your presentation.
- Use large fonts (the minimum font size should be 18 points ). If you cannot fit all your subjects on a slide without moving to a smaller font, break the points up onto separate slides. Sans serif fonts are recommended.
- Confirm that your presentation contains only standard fonts. For cross-platform compatibility, the use of Times Roman, Arial, Verdana is advised. Some other fonts may not transfer properly from your computer to the system used for presentation.
- Limit each slide to one main idea with three to six points. More than six points (bullets) and your audience will have difficulty reading the slide.
- 7-10 Slides for 7 minutes Free Paper presentation and e-poster.  
Max. 5 Slides for 3 minutes Free Paper presentation.
- The use of CD-Rom's, USB pens or memory sticks is advisable to download presentations easily at the AV Preview Centre.

**Presentations delivery:**

**E- POSTERS:**

E-posters presentations have to be uploaded on the EATB abstract page

( <http://www.centraloffice-europe.com/eatb2011abs>) **by 15 October 2011 by the latest.**

After that date, submissions will close and no further studies will be accepted to be shown as E-poster. (Please note that we do not anticipate e-poster uploads on site)
